Protection of coastal borders

*315. SHRI S. MADHAVAN: Will the PRIME MINISTER be pleased to state:

(a) what are the steps taken to protect the coastal border in the East and the South sea coasts in view of the intense internal war in Sri Lanka, and

(b) what steps have been taken to prevent smuggling of arms, ammunition, petrol and diesel along these coastal lines?

THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE (SHRI MALLIKARJUN): (a) and (b) Indian Naval and Coast Guard vessels and aircraft maintain continuous sea and air surveillance in the East and the Southern sea coasts to prevent any situation on activity including smuggling of arms, ammunition, pertrol and diesal which might affect coastal security and national interests. Naval Detachments have been set up at Nagapattinam, Topputturai, Kodiakarai, Malipattinam, Jegathapattinam, Thondi and Rameswaram for the purposes of enhanced surveillance and patrolling. In addition, there is a Coast Guard Air Station at Madras, a Naval Air Station at Ramnad and two Coast Guard Stations at Mandapam. and Tuticorin which support these efforts. The operational requirements of Naval and Coast Guard Stations along the East and the Southern Coasts are kept under constant review.
